Instruction Times

Paid hours for instructors, which includes accommodation. These hours you can divide yourself on all hours without a \*. This means you decide when which teacher can get paid as long as it fits within the allocated instruction hours.

Accommodation Times

These are all hours that the room will be booked for you, but the instructor will not be paid. These can be used for build up, break down, beginner groups within dance or associationfunded instruction.

Accommodation Times Structural Extra

The Structural Extra's are hours where the reservation can be removed to make room for anything else, without VC or another party having to arrange any back up location. These hours can be used for extra practice.
